ID No.: FLO041360

PERMIT NO.: 136982-027-DWC

DATE OF ISSUE: 03/05/2014

EXPIRATION DATE: 03/04/2019

UTILITY: Town of Mangonia Park

PROJECT: WUD 13-078 Boardman Road & Crandon Ave. Gravity Sewer Extension

This permit is issued under the provisions of Palm Beach County Ordinance No. 97-58. The above named applicant is hereby authorized to perform the work shown on the approved plan(s) attached hereto and made a part hereof and specifically described as follows:

Construct a wastewater collection/transmission system consisting of approximately 1,100 LF of 8" gravity sewer and (8) eight sanitary manhole's to service seventeen residential lots located north of 45th Street within the Boardman Road and Crandon Avenue right of ways in the City of Mangonia Park, Florida.

This permit is subject to the General Conditions of Rule 62-4.540 Florida Statutes (see attachment) and the following conditions:

1. It shall be the responsibility of the permittee to retain a professional engineer, registered in Florida, to observe that the construction is in accordance with the submitted plans.
2. This permit does not include construction of any conflict manholes. The construction shall be strictly in accordance with the "Standard Water and Sewer Separation Statement" and other design specifications noted on the engineering plans. If field conditions require deviations from the proposed design, the project engineer shall consult with this agency prior to construction.
3. An approval must be obtained from this agency prior to placing the wastewater system into operation; approval can be requested by submitting a completed DEP Form # 62-604.300(8)(b) for "Request For Approval To Place A Domestic Wastewater Collection/Transmission System Into Operation" together with a set of record drawings. All crossings between water lines and sanitary or storm sewers and force mains must be clearly identified with elevations on all record drawings.
4. Prior to construction, all required permits or approvals must be obtained for all aspects of the project from the appropriate agencies.

62-4.540 General Conditions for All General Permits.

- (1) The terms, conditions, requirements, limitations, and restrictions set forth in this Part are "general permit conditions" and are binding upon the permittee. The conditions are enforceable under Chapter 403, F.S.
- (2) The general permit is valid only for the specific activity indicated. Any deviation from the specified activity and the conditions for undertaking that activity shall constitute a violation of the permit. The permittee is placed on notice that violation of the permit may result in suspension or revocation of the permittee's use of the general permit and may cause the Department to begin legal proceedings.
- (3) The general permit does not convey any vested rights or any exclusive privileges. It does not authorize any injury to public or private property nor any invasion of personal rights. It does not authorize any infringement of federal, state or local laws or regulations. It does not eliminate the necessity for obtaining any other federal, state or local permits that may be required, or allow the permittee to violate any more stringent standards established by federal or local law.
- (4) The general permit does not relieve the permittee from liability and penalties when the construction or operation of the permitted activity causes harm or injury to human health or welfare; causes harm or injury to animal, plant or aquatic life; or causes harm or injury to property. It does not allow the permittee to cause pollution in contravention of Florida Statutes and Department rules.
- (5) The general permit conveys no title to land or water, nor does it constitute State recognition or acknowledgment of title. It does not constitute authority for reclamation of submerged lands. Only the Board of Trustees of the Internal Improvement Trust Fund may express State opinion as to title.
- (6) No general permit shall authorize the use of state owned land without the prior consent of the Board of Trustees of the Internal Improvement Trust Fund pursuant to Section 253.77, F.S.
- (7) The general permit may be modified, suspended or revoked in accordance with Chapter 120, Florida Statutes, if the Secretary determines that there has been a violation of any of the terms or conditions of the permit, there has been a violation of state water quality standards or state air quality standards, or the permittee has submitted false, incomplete or inaccurate data or information.
- (8) The general permit shall not be transferred to a third party except pursuant to Fla. Admin. Code Rule 62-4.120.
- (9) The general permit authorizes construction and where applicable operation of the permitted facility.
- (10) The permittee agrees in using the general permit to make every reasonable effort to conduct the specific activity or construction authorized by the general permit in a manner that will minimize any adverse effects on adjacent property or on public use of the adjacent property, where applicable, and on the environment, including fish, wildlife, natural resources of the area, water quality or air quality.
- (11) The permittee agrees in using the general permit to allow a duly authorized representative of the Department access to the permitted facility or activity at reasonable times to inspect and test upon presentation of credentials or other documents as may be required by law to determine compliance with the permit and the Department rules.
- (12) The permittee agrees to maintain any permitted facility, or activity in good condition and in accordance with the plans submitted to the department under Rule 62-4.530(1).
- (13) A permittee's use of a general permit is limited to five years. However, the permittee may request continued use of the general permit by notifying the Department pursuant to Rule 62-4.530(1). However, the permittee shall give notice of continued use of a general permit thirty days before it expires.
