Section 1: Authority For This Resolution. This Resolution is adopted pursuant to (a) Article VIII, Section 2, Florida Constitution, (b) Chapters 166 and 170, *Florida Statutes*, and (c) the Town Code of Ordinances.

Section 2: Findings. The Town Council hereby finds and determines as follows:

(a) The Town is a municipality of the State of Florida located in Palm Beach County and has been granted powers of home rule by Article VIII, Section 2 of the Florida Constitution and by Chapters 166 and 170, *Florida Statutes*; and

(b) The Town is authorized under its home rule power and the authority listed in sub-section (a) above to levy special assessments for certain public works projects; and

(c) Pursuant to Section 170.03, *Florida Statutes*, the Town duly adopted Resolution No. 2016-02 on January 5, 2016 (the "Intent Resolution"), expressing an intention to levy the Special Assessments; describing therein the Improvements to be made; setting forth the Estimated Costs to be defrayed by said Special Assessments; and

(d) At the time the Intent Resolution was adopted, the assessment plat was on file with the Town Clerk along with accompanying materials, which included, among other things, estimated costs for the Improvements and amount of the Special Assessments as required by Section 170.03, *Florida Statutes*; and

(e) The Intent Resolution was published as required by Section 170.05, *Florida Statutes* and Section 5 of the Intent Resolution; and

(f) Pursuant to Section 170.06, *Florida Statutes*, the Preliminary Assessment Roll was prepared in accordance with the method of assessment provided for in the Intent Resolution, and filed with the Town Clerk; and

(g) The Town Council, pursuant to Section 170.07, *Florida Statutes* and Section 6 of the Intent Resolution fixed the date, time and place at which a public hearing as to the Improvements, the Special Assessments to be levied and related matters was to be

held; and

(h) Notices of such public hearing were duly mailed and published in accordance with Section 170.07, *Florida Statutes* and as required by Sections 5 and 6 of the Intent Resolution; and

(i) At the time, place and date specified in the notices referred to in paragraph (h) above, the Town Council conducted such public hearing, heard testimony from all persons in attendance who requested an opportunity to testify and reviewed any written objections filed with the Town as to the matters described in paragraph (g) above; and

(j) The Town Council then sat as an equalizing board, heard and considered any complaints as to the Special Assessments to be levied against specific parcels of real property, adjusted and equalized the special Assessments pursuant to law, directed Town staff to prepare a Final Assessment Roll by modifying the Preliminary Assessment Roll to the extent, if any, necessary to reflect the Special Assessments as so adjusted and equalized, and directed Town staff to file such Final Assessment Roll with the Town Clerk; and

(k) Town staff has prepared and filed with the Town Clerk the Final Assessment Roll, a copy of which is attached hereto as Exhibit "A";

(l) Having considered such testimony, any written objections filed with the Town and other evidence presented at such public hearing, the Town Council hereby finds and determines that:

(i) The estimated costs of the Improvements are reasonable; and

(ii) It is reasonable, proper, just and right to assess the cost of such Improvements against the properties specially benefitted thereby using the methods determined by the Town Council, which results in the Special Assessments set forth on the Final Assessment Roll and as so marked and filed with the Town Clerk; it is hereby declared that the Improvements will constitute a special benefit to all parcels of real property listed on said Assessment Roll and that the benefit, in the case of each such parcel, will be in excess of the Special Assessment thereon; and

(m) It is now necessary and desirable to approve the Final Assessment Roll and to take the other actions set forth herein.

Section 3: Authorization of Improvements. The Improvements are hereby authorized and approved. The proper officers, employees and agents of the Town are hereby authorized and directed to take such further action as may be necessary or desirable to cause the same to be constructed.

Section 7: That the said Special Assessments shall be payable at the time or in the manner stipulated as provided for in this Resolution; and if not paid when due, such liens may be enforced according to law, and shall include court costs and other charges and reasonable attorney's fees.
